

GRADUATE STUDENT RESEARCHER COSTS 2010/2011

NOTE: A GSR may only be employed at or below 49.99% time during Fall, Winter & Spring quarters. However, they may work up to 100% time during the summer and between quarter breaks. **A GSR can never be paid over 100% in any given month under any circumstance.**

GRADUATED ALREADY? A GSR who graduated in the spring qtr. may work the following summer (Non-US citizens need to provide work authorization).

NEW ARRIVING STUDENTS: May work as GSR's the summer prior to beginning fall quarter if they filed intent to register – check with Grad Division. **Our Division uses steps 2 & 3, with step 3 for advanced grads. GSRs affiliated with other Divisions will be appointed at the step determined by their home division.**

The total costs to hire a GSR at 25% time or more include:

- **SALARY** (plus ~2.8% of salary for employment benefits) and ...
- **GRADUATE FEES** (fees not applicable for GSRs hired below 25% time (averaged over full qtr), or during summer. Note: DCP/Retirement deductions are applicable during summer if GSR isn't registered).

SALARY-Based @ 100% time. (Note: ~2.8% of salary added for employment benefits)

GSR I = \$2702.00	GSR III=\$3229.00
GSR II = \$2912.00	GSR IV=\$3488.00
